

D&B Supply Scholarship Program

To be awarded:

- 2 - \$1,000 Scholarships

In 1959, when Idaho had half the number of people it has today, a couple of fellows named Dutch and Bud set up a farming wholesale store in the rural agricultural town of Caldwell. Even then, D&B was a one-stop shop where you could find everything you needed to keep your farm running.

D&B expanded throughout the decades into a chain of stores in Idaho and Oregon that offers a wide selection of quality products to farmers, ranchers, and homeowners.

Like the original Caldwell location, each store is stocked to serve those who live and work in the West. Their customers are independent farmers, ranchers, and owners of small acreages. They are also tradesmen, pet owners, gardeners, rodeo goers, and homemakers. They love the land they live on, the animals they keep, and the families they raise.

Thank you to D&B Supply for their commitment to supporting Idaho FFA members through funding these scholarships to help students in their pursuit of higher education toward careers in the agriculture industry.
